

HELPING HANDS

RESOURCE GUIDE 2016

The Helping Hands Resource Guide was developed for use by professionals and human services agencies. The guide is to be used in helping our clients find the proper resources for their particular needs. It provides quick access to basic information on many of the human services agencies and programs in the Clinton County area.

Information, Referral & Assistance Services grants permission to reprint any or all of this booklet for nonprofit purposes.

We apologize for any errors or omissions that may have occurred in the data collection or printing of this Helping Hands Resource Guide.

If you have a service not addressed in this guide or you have corrections, additions or changes, please feel free to submit them to:
